

LIFE/10/5/2 HYTRONIC SCALE WARRANTY

HYDROSTATIC LOAD CELLS

LIFE - All our hydraulic load cells are warranted for life against damage by water, lightning and other stray voltages. Life is determined as the typical useful life of a scale estimated to be 15 years. During this time, replacement will be made under the terms of this warranty with 100% of the original cost credited toward the current purchase price.

TEN YEARS - Our Series 136 stainless load cells are warranted for ten (10) years against damage due to normal wear and tear as well as defects in material and workmanship. During this time, replacement will be made under the terms of this warranty and in accordance with the following schedule of credit of the original cost credited toward the current purchase price:

0-5 years - 100%	6th year - 50%
7th year - 40%	8th year - 30%
9th year - 20%	10th year - 10%

FIVE YEARS - All our load cells from Series 130 and higher are warranted for five (5) years against damage due to normal wear and tear as well as defects in material and workmanship. During this time, replacement will be made under the terms of this warranty and in accordance with the following schedule of credit of the original cost credited toward the current purchase price:

0-30 months - 100%	31-36 months - 50%
37-42 months - 40%	43-48 months - 30%
49-54 months- 20%	55-60 months- 10%

TWO YEARS - All our load cells from Series 100 to 129 are warranted for two (2) years against damage due to normal wear and tear as well as defects in material and workmanship. During this time, replacement will be made under the terms of this warranty with 100% of the original cost credited toward the current purchase price.

SCALE COMPONENTS: All other standard scale components are warranted for two (2) years against defects of material and workmanship.

SERVICE WARRANTY: There will be no charge for parts or labor for the first 90 days after shipment or 60 days after installation, whichever occurs first, for any repair or replacement of a defective component under the terms of this warranty. Thereafter, the warranty is strictly limited to repairing or replacing components at our plant.

THIS WARRANTY IS NOT APPLICABLE TO:

Charges for calibration or adjustments to instruments, load cells, totalizers, etc.

Charges due to improper installation or service on the part of anyone other than an authorized Emery Winslow service technician.

Anyone other than the original user.

Shipping damage beyond our control.

Freight, travel or transportation cost.

Corrosion other than stainless steel.

Damage caused by Force Majeure.

THIS WARRANTY IS VOID IF FAILURE OCCURS BECAUSE OF:

Defective installation by non-authorized service personnel.

Improper or inadequate installation or maintenance of the scale or its components.

Accident, alteration, improper use, abuse or neglect of the scale or its components.

Abnormal environmental or operational conditions for which the scale or its components are not intended.

Water/moisture damage to electronic components.

Metal corrosion other than stainless steel.

Service performed without written authorization from us.

Lightning damage to electronic components.

This warranty commences on the date of shipment and is in lieu of all other warranties or guarantees expressed or implied and of all other obligations or liabilities whether in contract or in tort. Under no circumstances is this Warranty responsible for any consequential or contingent damages and its liability is limited to the original purchase price of the product.
